**Use this template as a guide for the placement of text and images.**

**Be sure to open or import template files at 300 DPI.**

Place your artwork 1/8" away from the **trim line** and within the **safety area** as represented by the **blue dashed line**.

If your project requires printing to the edge after trimming, you **MUST** extend your artwork to the **outer edge** of the **light blue shaded area** for proper bleed. Anything in the **light blue shaded area** will be trimmed off.
