● Bleed

score for fold

3.5" x 5" Greeting Card (inside); 7" x 5" when open

Use this template as a guide for the placement of text and images.

Be sure to open or import template files at 300 DPI.

Place your artwork 1/8" away from the **trim line** and within the **safety area** as represented by the **blue dashed line**.

If your project requires printing to the edge after trimming, you **MUST** extend your artwork to the **outer edge** of the **light blue shaded area** for proper bleed. Anything in the **light blue shaded area** will be trimmed off.
